Page 1

ANOTHER KID	Are you upset about something?
CONTESTANT	I guess I was kinda sad yesterday.
ANOTHER KID	What is it?
CONTESTANT	I was a dollar and half short to get the Verminoids video game yesterday.
ANOTHER KID	You were mad that it cost so much?
CONTESTANT	No. It was...Okay, I tithed on Sunday. I gave three dollars to the church. And because of that, I couldn't afford the game!
ANOTHER KID	Giving to the church is an important thing to do.
CONTESTANT	(Building intensity) I know, but sometimes I don't understand why. How is three dollars going to make any difference? The church can't support a missionary, or build a new building, or pay the pastor's salary with three dollars. You can't even get a cup of coffee for three bucks.
ANOTHER KID	You drink coffee?
CONTESTANT	I get it that adults should tithe. Adults make tons of money that can make a big difference. But why should kids do it?
